Executive Director			
Mr. Rakesh Sirohia	-	(100)	
Mr. Rajat Sirohia	-	(100)	

There has been no increase in the remuneration of Company Secretary

Notes:

1) The ratio of remuneration to median remuneration is based on remuneration paid during the period from 1 April, 2018 to 31 March, 2019.

2) Relationship between average increase remuneration and company performance:

Net revenues of the Company during the financial year, was at Rs. 3.43 cr. The employee cost (excluding Director's remuneration & Bonus) for the Financial Year ended 31 March, 2019 was Rs. 7.81 Lacs against Rs. 14.29 lacs for the Financial Year ended 31 March, 2018, indicating a decrease of 54.65 %. The employee cost as a percentage of net revenues was 2.28 % (last year 5.23 %). Decrease in remuneration is due to the company not carrying on its regular business operations, during the current Financial Year. The cost of Directors remuneration has become NIL as the directors have decided to let go of their remuneration looking at the situation of the company. Whilst the Company has a strong focus on cost, employee cost being one of the key areas for cost monitoring and control, the results of any structural initiatives needs to be measured over a long-term horizon and cannot be strictly compared with annual performance indicators.

3) Comparison of the remuneration of the KMP against the performance of the Company:

Particulars	Rs. (Lacs)
Aggregate remuneration of KMP in Financial Year 2018-19	6.46
Revenue	343.25
Remuneration of KMPs (as % of revenue)	1.88 %

4) Average percentile increase already made in the salaries of employees other than the managerial personnel in the last financial year and its comparison with the percentile increase in the managerial remuneration and justification thereof and point out if there are any exceptional circumstances for increase in the managerial remuneration;

Company's employees have decreased. The salary of the remaining employees has not been impacted. The total managerial remuneration for the Financial Year 2018-19 was NIL, (Rs 20 lacs, in the previous year). There was no increase in remuneration to Managing Director & Whole Time Director. There has been no change in the salary of the Company secretary.

5) Comparison of each remuneration of the KMP against the performance of the Company:

SN	Particulars of Remuneration	Key Managerial Personnel Rahul Gupta	
1	Remuneration in FY 18 (Rs Lakhs)	6.46	
2	Revenue (Rs lakhs)	343.25	
3	Remuneration as % of Revenue	1.88 %	

- The ratio of the remuneration of the highest paid director to that of the employees who are not Directors but receive remuneration in excess of the highest paid director during the year: Not Applicable
- 7) Remuneration is as per the remuneration policy of the Company.

MANAGEMENT DISCUSSION & ANALYSIS

OVERVIEW OF AGRICULTURAL SECTOR

Agriculture is of prime importance to the socio-economic fabric of India. The sector has remained the backbone of the Indian economy and presently accounts for ~15% of the country's GDP. Nearly 58% of rural households rely on agriculture as their principal means of livelihood. Being a source of livelihood and food security of the nation, higher growth in agriculture assumes great importance and is a matter of priority for the economy. Your Company's Vision and business strategy are aligned with the needs of Indian Agricultural Economy. However, in the last year, due to certain factors, no business activity was carried out.

INDUSTRY OUTLOOK

India is the fourth largest global producer of agrochemicals after USA, Japan and China. The industry size was to the tune of USD 4.4 billion in FY15 and is expected to grow at 7.5% per annum to reach USD 6.3 billion by FY20. Global population is expected to cross 9 billion by 2050. Rising population has led to increasing food demand. India is the second most populous country in the world, with its population estimated to grow over time.

To meet the food and nutrition needs of a growing population requires a sustainable approach that puts thrust on increasing productivity against a background of lower yields and decreasing farm sizes. It requires a push from all stakeholders – the farmer, the government and the industry collectively, so that the changing needs of the nation are met. Approximately 25% of the global crop output is lost due to attacks by pests, weeds and diseases, says the FICCI report cited above. Agrochemicals can play a major role in enhancing productivity and protection of crop post-harvest. Insecticides are the largest sub-segment of agrochemicals with 60% market share.

Indian agrochemicals market will be driven by growth in insecticides, increasing awareness towards judicious use of agrochemicals, contract manufacturing and export opportunities. Challenges such as non-genuine products, appropriate focus on R&D, inefficiencies in the supply chain etc. need to be addressed on priority. In addition to the use of crop protection chemicals, Indian agriculture needs to focus on specific solutions to enhance crop productivity. It is imperative for us to adopt efficient agronomy practices, fertilisation, seed treatment, biotechnology and integrated pest management to reduce wastage and attain self-sufficiency in agricultural output.

RISKS, CONCERNS & THREATS

Indian agriculture is still grappling with challenges such as high dependence on monsoon, unpredictable weather patterns, reduction in arable land, decreasing farm sizes, low per hectare yield and increase in pest attacks. To add to the complexity, the agricultural workforce in India is expected to reduce by 50% in the coming decade due to better remuneration and growth opportunities in other sectors. These factors pose a challenge for the Agrochemicals Industry as well.

Agrochemical industry works under stringent regulatory environment, wherein chances of frequent changes in regulatory guidelines are very high. This could lead to delays in obtaining necessary approvals.

INTERNAL CONTROL SYSTEM AND ADEQUACY

Your Company is committed to ensuring an effective internal control environment that provides reasonable assurance regarding the effectiveness and efficiency of operations, adequacy of safeguards for assets,

reliability of financial controls and compliance with applicable laws and regulations. For this, the Company has laid down standard operating procedures and policies to guide the operations of the business.

The internal audit processes provide reasonable assurance on the adequacy and effectiveness of such internal controls and compliances, through the reviews of the functions and processes, as per the annual audit plan agreed with the Audit Committee. To maintain independence, the internal audit function reports to the Chairperson of the Audit Committee of the Board.

HUMAN RESOURCES

Employees are the most valuable assets and the strength of an organization in its growth, prosperity and development. Your Company, albeit a small number, but has qualified and dedicated personnel who have contributed to the growth and progress of the Company. However, most of the work is generally carried out by the Executive Directors themselves.

CAUTIONERY STATEMENT

Statements in this management discussion analysis describing the Company's objectives, projections, Estimates, expectations may be forward looking within the meaning of applicable securities-laws and Regulations. Actual results may differ materially from those expressed in the statement. Important factors that could make difference to Company's operations Include economic conditions affecting the domestic market and the overseas markets in which the Company operates, changes in the Government regulations, tax laws and other statutes and other Incidental factors.

Independent Auditor's Report

To The Members Sirohia & Sons Limited

Report on the Financial Statements

We have audited the accompanying financial statements of **Sirohia & Sons Limited** ("the Company"), which comprise the Balance Sheet as at March 31, 2019, the Statement of Profit and Loss, the Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2019, and its loss and its cash flows for the year ended on that date.

Emphasis of Matters

We draw attention to the following matters in the Notes to the financial statements:

a) The balances of all the parties are subject to confirmation.

Our opinion is not modified in respect of these matters.

Report on Internal Financial Controls Over Financial Reporting

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Sirohia & Sons Limited ("the Company") as of March 31, 2019 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A

company's internal financial control over financial reporting includes those policies and procedures that

- 1. pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- 2. provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- 3. provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2019, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTE NO. 1:

SIGNIFICANT ACCOUNTING POLICIES

CORPORATE INFORMATION

Sirohia & Sons Ltd. is a public limited company, listed in SME segment of Bombay Stock Exchange, with Registered Office being situated 16 Bonfields Lane, Kolkata, West Bengal-700001. The Company is engaged in general order supply of tea garden items.

1.1 BASIS OF ACCOUNTING:

The accounts are prepared under the historical cost convention on accrual basis and are in accordance with the generally accepted accounting principles in India and provisions of the Companies Act, 2013.

Accounting policies have been consistently applied except where a newly issued Accounting Standard is initially adopted or a revision to an existing Accounting Standard requires a change in the accounting policy hitherto in use.

All Assets and Liabilities have been classified as current or non-current as per the company's normal operating cycle and other criteria set out in the Schedule III to the Companies' Act, 2013. Based on the nature of operations and time between the procurement of raw material and realization in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current and non-current classification of assets and liabilities.

1.2 USE OF ESTIMATES

The preparation of the Financial Statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported balances of assets and liabilities and disclosures relating to contingent liabilities as at the date of the financial statements and reported amounts of income and expenditure during the period. Actual results might differ from the estimates.

Difference between the actual results and estimates are recognized in the period in which the results are known/ materialized.

1.3 FIXED ASSETS

Tangible Assets are stated at their original cost less accumulated depreciation and impairment, if any. Cost, net of cenvat, includes acquisition price, other non-refundable taxes and levies, attributable expenses and pre operational expenses including finance charges, wherever applicable. Intangible assets expected to provide future enduring economic benefits are recorded at the consideration paid for acquisition of such assets and are carried at cost of acquisition less accumulated amortization and impairment, if any.

Depreciation/amortisation on tangible assets and intangible assets (computer software) are provided based on life assigned to each assets at Written down value method in accordance with Schedule II to the Companies Act, 2013.

Lease hold land is amortized over the period of the lease.

Capital work in progress: Expenditure (including financing cost relating to borrowed funds for construction or acquisition of fixed assets) incurred on projects under implementation are treated as Pre-operative expenses pending allocation to the assets and are shown under "Capital work-in-progress". Capital work-in-progress is stated at the amount expended upto the date of Balance Sheet for the cost of fixed assets that are not yet ready for their intended use. Expenses incurred during the year have been apportioned over Capital Work-in-Progress on a reasonable basis.

1.4 INVENTORIES:

Inventories are computed at lower of cost and net realizable value. The cost of raw materials and stores and spares is computed on FIFO basis and the cost of work in progress and finished goods are computed on weighted average basis. The cost of finished goods includes cost of conversion and other costs incurred in bringing the inventories to their present location and condition.

Assets identified and technically evaluated as obsolete and held for disposal are valued at their estimated net realizable value.

1.5 REVENUE RECOGNITION:

Sale of goods is recognized at the time of transfer of substantial risk and rewards of ownership to the buyer for a consideration.

Gross turnover excludes Value Added Tax/CST/GST.

Interest income is recognized on time proportion basis taking into account the amount outstanding and rate applicable.

All other incomes are accounted for on accrual basis.

1.6 EXPENSES:

All expenses are accounted for on accrual basis.

1.7 EMPLOYEE BENEFITS:

Short-term employee benefits are recognized as an expense at the undiscounted amount in the Statement of Profit and Loss of the year in which the related service is rendered.

Post-employment and other long-term employee benefits are recognized as an expense in the Statement of Profit and Loss for the year in which the employee has rendered service. The expense is recognized at the present value of the amount payable determined using actuarial valuations. No

Post employment and other long-term employee benefits were provided by the Company.

1.8 BORROWING COST:

Borrowing costs that are attributable to the acquisition or construction of qualifying assets are capitalized as part of the cost of such assets till such time assets are ready for its intended use. A qualifying asset is one that necessarily takes a substantial period of time to get ready for intended use or sale. All other borrowing costs are charged to revenue in the period in which it is incurred.

1.9 FOREIGN CURRENCY TRANSACTIONS:

No Foreign Currency Transaction was entered by the Company

1.10 TAXES ON INCOME:

Current Tax is determined as the amount of tax payable in respect of taxable income for the year, computed in accordance with the relevant tax rates and tax laws.

Deferred Tax is recognized at substantively enacted tax rates, subject to the consideration of prudence, on timing differences, being the difference between taxable incomes and accounting income that originate in one period and are capable of reversal in one or more subsequent periods.

1.11 IMPAIRMENT OF ASSETS:

Impairment loss, if any, is recognized to the extent, the carrying amount of assets exceed their recoverable amount. Recoverable amount is higher of an asset's net selling price and its value in use. Value in use is the present value of estimated future cash flows expected to arise from the continuing use of an asset and from its disposal at the end of its useful life.

Impairment losses recognized in prior years are reversed when there is an indication that the impairment losses recognized no longer exist or have decreased. Such reversals are recognized as an increase in carrying amount of assets to the extent that it does not exceed the carrying amount that would have been determined (net of amortization or depreciation) had no impairment loss been recognized in previous years.

After impairment, depreciation or amortization on assets is provided on the revised carrying amount of the respective asset over its remaining useful life.

1.12 PROVISIONS, CONTINGENT LIABILITIES AND CONTINGENT ASSETS:

Provisions are recognized in respect of obligation where, based on the evidence available, their existence at the Balance Sheet date is considered probable.

Contingent liabilities are shown by way of notes to the Accounts in respect of obligations where, based on the evidence available, their existence at the Balance Sheet date is considered not probable.

Re-imbursement expected in respect of expenditure to settle a provision is recognized only when it is virtually certain that the re-imbursement will be received.

Contingent Assets are not recognized in Accounts.

1.13 EARNINGS PER SHARE:

Basic earnings per share is computed by dividing the profit/ (loss) after tax (including the post tax effect of extra ordinary items, if any) by the weighted average number of equity shares outstanding during the year.

Diluted earnings per share is computed by dividing the profit/ (loss) after tax (including the post tax effect of any extra ordinary items, if any) by the weighted average number of equity shares considered for deriving basic earnings per share and also the weighted average number of equity shares which could be issued on the conversion of all dilutive potential equity shares.

1.14 CASH FLOW STATEMENT:

Cash flows are reported using indirect method, whereby profit before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing flows.

The cash flows from operating, investing and financing activities of the Company are segregated.
